REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)  
10961138-6

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number 5,907,335, granted May 25, 1999, and for which a reissue patent is sought on the invention entitled WET WIPING PRINthead CLEANING SYSTEM USING

A NON-CONTACT TECHNIQUE FOR APPLYING A PRINthead TREATMENT FLUID

the specification of which

☐ Is attached hereto.

☒ was filed on May 22, 2001 as reissue application number 09 / 863,467  
and was amended on \_\_\_\_\_

(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

Claim 1 of the patent is unnecessarily limited to vaporizing of servicing fluid and the method can easily be performed using apparatus which does not vaporize the servicing fluid.
